

The St. Luke's Oktoberfest Auction night is not until October 28, 2017, but SIGN-ON PARTIES will open for bid on Monday, October 16...and they fill up FAST! Here's what you need to know to host one:

What is a sign-on party?

It is a party hosted by a St. Luke's supporter that can be nearly any theme you can imagine. The host will set the theme, guest type (adults only, children, men, women, etc.), maximum number of attendees, and the price per person. The host then pays for the party in its entirety and donors pay the per-person price to St. Lukes in order to attend.

How can I host one?

It is easy to host a sign-on party! You decide what kind of party you would like to have and then email the following to Tricia Mesaros, Event Chair (tricia.mesaros@gmail.com):

Party type & description: (get creative!)

Guest type: (specify just women, just men, children, just adults, etc.)

Maximum attendees:

Price per person: (They are generally priced between \$25-35 per person)

Date & Time: (This can be TBD.)

I want to host a party, but don't have any ideas.

On the following page, there is a collection of sign-on party ideas. If you have an idea, but aren't sure it will work – email Tricia (tricia.mesaros@gmail.com) for feedback. Don't be afraid to jump in and give these parties a try; maybe even co-host with a friend. You make friends, have fun, and support St. Luke's in the process...everyone wins!
