[www.horsesoldierbourbon.com](http://www.horsesoldierbourbon.com)

Sit back, sip, and marvel at the smoothness of three varieties of handmade, award-winning Horse Soldier bourbon in this gift basket, which also includes

whiskey glasses. The Horse Soldier Bourbon story is woven into the fabric of one of America’s most historic moments. Just days after 9/11, elite teams of Green Berets were inserted into Afghanistan, some on horseback. Dubbed the “Horse Soldiers”, their exploits were retold in the Hollywood blockbuster 12 strong, the CNN documentary “Legion of Brothers”, and memorialized by America’s Response Monument located at Ground Zero in New York City. The future of Horse Soldier Bourbon has brought us home to Somerset-Pulaski County in Kentucky. Many of us at Horse Soldier Bourbon are from the Bluegrass state, and naturally, our call to arms was sounded during a training mission on the Cumberland River after the first World Trade Center tower was hit. Pulaski County will soon be the location of Horse Soldier Farms, our world-class distillery and tourist experience for all to enjoy.
